Academic Scholarship Examinations for Form One (Grade Eight) 2020

St Martin's High School offers your child the best in Independent School Education. The strong traditions, Christian ethos and family orientated environment of the school, form an integral part of our offering to you, and your child, in High School.

Pupils are invited to write the academic scholarship examinations for Form One (Grade Eight) 2020 on Saturday, 9 March 2019.

We encourage you to confirm a place for your child at these prestigious examinations. Not only is St Martin's High School a top-class independent school, it is a welcoming space where every child is known and can develop to his/her full potential in whichever area chosen. Our Business Studies, English and Dramatic Arts departments are exceptional and award-winning spaces of learning. Physical Sciences is led by an award-winning Head of Department and our fifteen subject choices, all taught by professional teachers, allow each child to explore their own unique high school journey.

To assist with planning and to confirm a seat in the academic scholarship examination, please send the following information to admissions@stmartin.co.za before 1 March. You may also contact the school on 011 435 0735 and hand in hard copies of the following documents at the school's Reception::

- A completed application form (this form may be downloaded <https://www.stmartin.co.za/admissions/application-form/>)
- A certified copy of the child's birth certificate
